Dear Delegates,

Warm greetings from Pushpagiri College of Nursing.

“IF PRACTICE MAKES PERFECT THEN WE ARE THE EXPERTS”

On the occasion of the Diamond Jubilee of Pushpagiri Medical College Hospital we join our hands in inviting you to participate in the State Conference on “Safe Infusion Practices-Providing Pivotal Care”. Every January 25, infusion nurses around the world celebrate IV nurse day. So this year in accordance with the celebration we focus on creating awareness of best practices of infusion therapy among practicing nurses, nurse educators, critical care and anesthesia technicians.

AIM

This conference aims to enrich the knowledge, attitude and skills of health care professionals to develop safe, effective caring and responsive IV infusion therapy.

OBJECTIVES

- Identify the best practices in peripheral intravenous cannulation.
- Understand appropriate interventions for prevention and management of intravenous therapy complications.
- Update on the central venous catheter maintenance care bundle.
- Explain the compatible combination of drugs through infusion therapy and its potential complications.
- Recognize appropriate and safe delivery of total parenteral nutrition.
- Recollect the rules of blood transfusion.

THEME:

“SAFE INFUSION PRACTICES-PROVIDING PIVOTAL CARE”
