## ABOUT PUSHPAGIRI

Pushpagiri which began as an eight bedded clinic to cater to rural maternity care at Tiruvalla in 1959 is now in its 65th year as a group of institutions namely- Pushpagiri Medical College Hospital (a high-tech super-specialty 900 bedded Medical College Hospital), Pushpagiri Institute of Medical Sciences and Research Centre, Pushpagiri College of Dental Sciences, Pushpagiri College of Pharmacy, Pushpagiri College of Nursing and Pushpagiri College of Allied Health Sciences. Pushpagiri also celebrates its 60yrs legacy of training excellent nurses for the society.

## ABOUT PUSHPAGIRI COLLEGE OF NURSING

Pushpagiri College of Nursing is one among the reputed private self-financing nursing colleges in Kerala founded in the year 2002. Affiliated to the Kerala University of Health Sciences, the college strives to be a Centre of Excellence in Nursing Education and runs the following degree programs - Bachelor of Science in Nursing (75seats) and Master of Science in Nursing (13 seats) offering specializations in Medical Surgical Nursing, Child Health Nursing and Mental Health Nursing.

## ABOUT THE WORKSHOP:

Mixed Methods Research (MM Research), a type of scientific enquiry that utilizes both qualitative & quantitative methods in a single study, is gaining momentum in various fields especially in the field of Nursing. This workshop aims to equip the participants to plan and undertake Mixed Methods Research

**WORKSHOP OBJECTIVES:** By the end of the workshop, the participants will be able to-

1. Define Mixed Method Research
2. Differentiate between mixed method and multimethod research.
3. Understand the rationale of using mixed method research.
4. Appreciate the purposes and application of mixed method research.
5. Identify the components of mixed method research protocol.
6. Distinguish the types of mixed method research design.
7. Understand the sampling and analysis of mixed method research

## TARGET AUDIENCE:

Researchers, Faculty, Research guides, PG students of various health care disciplines

## WORKSHOP DYNAMICS :

The workshop begins with an overview and is divided into four sections, where each section will have a theory component and activities. Illustrative examples, research works and related activities are melded to provide a pragmatic understanding and meaningful interpretation of the content. The workshop outline is as follows-

Time	Content
8:30 - 9:00am	Registration
9:00 - 10:15am	Session I : Introduction to Mixed Methods Research
10:15 - 10:45am	Inauguration
10:45 - 11:00am	Tea break
11:00am - 12:30pm	Session II : Designing a Mixed Methods Research project
12:30 - 1:00pm	Lunch break
1:00 - 2.30 pm	Session III : Data collection and data analysis in Mixed Methods Research
2:30 - 3:30pm	Session IV : Group work
3:30 - 4:00pm	Conclusion and departure

# INTERNATIONAL WORKSHOP ON MIXED METHOD RESEARCH METHODOLOGY
